in blood rites the first novel in the series by fledgling writer asa hooker varnar boliek is a scientist and explorer for his world of vampires having a special spacecraft built he embarks on a short exploration to a nearby system only to be sidetracked to a far away world stranded on a primitive world by an accident damaging the ship varnar makes a home with the locals only to find a world populated by dragons and witches

and magic making a life there he finds a wife who is a half demon and has children who are a vampire demon crossbreed feeding on some of the local population they find the reasons for the old taboo against biting sentient creatures another accident causes their recently deceased feeding subjects to arise as undead vampires who embark on a spree of rampant feedings and deaths uniting the population varnar and his family struggle to free his new adopted world of the threat of total annihilation by the spawn they had unwittingly created

about the psychological origins of war

worship in the old testament has been frequently misunderstood its rites and ceremonies are often perceived as legalistic works that were required by an angry god to gain his favor or avert his wrath but is that really what the bible teaches to be sure the lord did institute the divine service in the old testament with all of its laws rites and ceremonies yet did god do this in order to be appeased or pleased by the ancient israelites when the priests enacted the offerings and sacrifices at the sanctuary was it merely to do good works that god required but without meaning or purpose for his people was worship in the old testament always what the people did for the lord or did god do anything that was beneficial to the israelites this book answers these questions and furthermore dispels the recurring misinterpretation of worship in the old testament the lord established the divine service in the pentateuch not to receive what he demanded from the people of ancient israel but on the contrary to cleanse them from their sinful impurities sanctify them to share in his holiness and dwell among them with his blessing

this is a book offering balthasar s theological oeuvre as a kerygma of christ s love proclaimed theologically as christ s esthetics of glory in his mission to reinvent himself the world and us as beauty and glory balthasar s hypothesis is that there is true theology and there is false theology for him theology is the unique science across the methods of which the decision of faith cuts and divides it into two halves that cannot be united to each other a genuine theology which presupposes faith and does its thinking within the nexus of christ and the church and a false theology which rejects faith as methodologically dubious and irresponsible and subsumes the truth of the phenomenon which discloses itself under an anthropological truth however this may be understood in william newell s book he deeply reflects on the radical thinking being done in catholic theology since the 1940s in europe and now in the united states each chapter each excursus each elision ushers the reader towards consolations without previous causes the essence of mysticism in its first stages the book as with true theology is a come and see beckoning the

reader to an endless furtherance of the archetypal experience of christ

helen wells resists the dark desires and savage nature of her vampire existence until a hired killer begins to stalk her family reprint

at the core of daoism are ancient ideas concerning the way the fundamental process of existence the dao humans as individuals and as a society should be aligned with the dao in order to attain the fullness of life and its potential this book presents the history of early daoism tracing the development of the tradition between the first and the fifth centuries ce this book discusses the emergence of several daoist movements during this period including the relatively well known way of the celestial master that appeared in the second century and the upper clarity and the numinous treasure lineages that appeared in the fourth century these labels are very difficult to determine socially and they obscure the social reality of early medieval china that included many more lineages this book argues that these lineages should be understood as narrowly defined associations of masters and disciples and it goes on to describe these diverse social groupings as communities of practice shedding new light on a complex and multifaceted phenomenon the formation of daoism as a new religion in early medieval china this book presents a major step forward in daoist studies

an overview of wedding rituals for neopagans features ceremonies inspired by a wide range of influences mythological love stories and belief systems including interfaith ceremonies allowing for just about any combination of religions and tips on finding officiates suggested readings and more
